### VOLUNTEERS TO PLAY GOLDFIELD THIS AFTERNOON

LARGE CROWD WILL ACCOMPANY TONOPAH PLAYERS TO GOLDFIELD.

This morning the Tonopah Volunteers baseball nine will leave for Goldfield where they go for the purpose of defeating the Goldfield nine in a game of the national sport.

The Tonopah team has been considerably strengthened since the last time the two teams met. Setz will occupy the box. He is one of the fastest players in the state, if indeed, he is not the fastest. He will be hard to find when he begins twirling them over.

It is expected that a large crowd will accompany the ball tossers. There is considerable rivalry between the two towns as to the respective merits of their players and Tonopah will send over a big delegation of towns people to root for the home boys.

Following is the Tonopah line-up: Gallagher, catcher; Setz, pitcher; Osgood, first base; Hurd, second base; Hatton, third base; Perry, shortstop; Parker, left field; Morris, centerfield; Forrest, right field; Pittman, sub.

## Tonopah Leases Making Are Good Progress

As depth is made in the Bonanza lease of Herring, Nicholson and Sparks it is becoming more and more apparent that they have uncovered a ledge which will be the means of placing them on Easy street for life. The shaft has now reached a depth of about seven feet. At that point the ledge has widened considerably, while the values have shown no tendency to decrease.

Tonopah promises to again take a front rank as a leasing camp. It has never sent news to the world of an exaggerated nature. Conditions here were always in keeping with the published statements, and vice versa. When the outside is told that Tonopah will undoubtedly come to the front once more as a leasing camp, it may rest assured that showings warrant the expression.
